

Sing It Together

By Marc Jordan and Ian Thomas

VERSE 1

Sometimes clouds get in the way
And all those grey skies come to stay
When you sing to me
My heart beats to the sound

And I wonder as the world goes round
What we've lost and what we've found

So when the night comes
I sing soft and low
Sing for the children out in the cold.
Sing for the old man who's got no home.
Sing for the birds that have already flown.

And I remember the people and places I've
been
When the music rang out on the streets like the
wind.

CHORUS

Sing, sing it, sing out loud.
Sing for the children out in the cold.
Sing for the old men who got no home.
Sing it together til the walls come tumbling
down.

VERSE 2

It's a made up world that we're living in.
Bright as the stars and shiny as tin.

And the world gets smaller every day.
And sometimes our silence gets in the way.
When the voices are weak and so far away.

CHORUS

Sing it, sing it
Right out loud
Sing it together like a voice in the crowd.
Sing for the rainbow behind the clouds.
Sing it together til the walls come tumbling
down

BRIDGE

Sing for joy
Sing for sorrow
Sing for light
For tomorrow
Sing for truth
Sing for freedom
Let the music
take you, take you, take you home...

END CHORUS

Sing for life and
Sing for freedom
Sing for love,
and for healing.
Sing for those who have no choices.
Sing for those who have no voices.
